

**March 19, 2020** – The City National Bank lobby will be temporarily closed to customers beginning Friday, March 20. In order to further prioritize the health and safety of our customers and employees, we are heeding state and federal recommendations and regulations regarding Coronavirus (COVID-19).

The drive through is available to process any daily banking transactions needed. The ATM is also available for withdrawals and deposits. You can also use the City National Bank mobile app to make deposits, check your balance, pay bills and send money. For more information on our banking technology and help setting up your online account, please call 903-872-8333 to speak with our e-banking specialist.

**For your other banking needs, customer service appointments at our main bank lobby can be made ahead of time by calling 903-872-8333.**

We apologize for any inconvenience this may cause. Our main concern is for the health and safety of our customers and staff. We will resume opening the lobby for customers as soon as we deem it possible. We are committed to ensuring that your banking needs are met and that we provide you with the best service possible.

Thank you.

A handwritten signature in black ink, appearing to read "Ken Mixon", is written over the typed name.

Ken Mixon  
President and CEO  
City National Bank
